## Study one:

# WORSHIP

Many times I get surprised when I go to many Churches. In the middle of the service I usually hear the Pastor/convener saying "... **now this is time for worship, let us now worship God...**" I always ask myself, what were we doing all this time we have been in Church? Many have taken worship to be some slow songs and individual prayers just five or ten minutes before the preacher stands. WORSHIP literary means to recognize the WORTHY-SHIP and it is the whole life, it is a lifestyle. Worship has got something to do with attitudes, motives, actions of honor love and respect towards one we revere or fear, our Master. Only God is worthy to be worshipped.

**Study texts: John 4:5-26, Romans 12:1-2, Genesis 22:3-10**

### Memory verse:

*But the hour is coming, and now is,*

*when the true worshipers will worship the Father in spirit and truth;*

*for the Father is seeking such to worship Him. Jn. 4:23*

## F. THE WORD OF GOD (Key to true worship)

God orders our day-to-day lives in many ways through many things. He can use our friends, teachers, parents, bosses, and even SCOM, to give us the right direction. Surprisingly, He might even use circumstances and creation (water, trees, and animals, e.t.c) to make us go the right way.

However, we all agree that the readily available guidance from our God is His written word, the Holy Scriptures, the Bible. It might not be easy for us to understand God's will on our lives through other things, but it is very clear to understand what God wants us to do through His written word. It is for this reason that we need to emphasize the importance of God's word. **READ IT, STUDY IT, MEMORISE IT, MEDITATE ON IT, OBEY IT & LIVE IT!!!!**

All the 150 verses of Psalm 119 talk about the word of God. I wish we could study the whole Psalm, but for the sake of time let us study the following:

## Study two:

# THE BODY OF CHRIST

The Church, otherwise called the body of Christ, faces a lot of challenges ranging from stunted numerical growth to spiritual growth. In some parts of the world especially developed countries over the years the church has faced hostility. The trend is gradually drifting towards our continent and let alone our country; this has been so due to a number of reasons. Topping the list of reasons could be, other opposing religions/faiths and lack of integrity among Christians. So in this study we want to find out what the Church is and what are the things that God would want us to do as a Church? Are we meeting His expectations? What about the expectations of people? We will do well if we work as a church, wake-up from our slumber and start doing things that uphold the integrity of the Church so that the Church can grow numerically and spiritually.
